ORDER UNDER BANKRUPTCY CODE SECTIONS 105 AND 363 AND
BANKRUPTCY RULES 2002 AND 6004 (I) APPROVING PROCEDURES
IN CONNECTION WITH SALES OF MISCELLANEOUS INTELLECTUAL
PROPERTY ASSETS, (II) AUTHORIZING SELLERS TO ENTER INTO
STALKING HORSE AGREEMENTS IN CONNECTION THEREWITH,
(III) APPROVING THE PAYMENT OF TERMINATION FEES IN
CONNECTION THEREWITH, (IV) SETTING AUCTION AND HEARING
DATES AND (V) GRATING RELATED RELIEF

Upon the motion (the "Motion")¹ of the Sellers,

¹ Capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Motion.

for entry of an orders under Bankruptcy Code sections 105 and 363 and Bankruptcy Rules 2002 and 6004 (I) (A) approving the Bidding Procedures in connection with soliciting bids for the Sales of the Intellectual Property Assets, including (without limitation) those set forth on Exhibit A hereto, (B) authorizing the Sellers to enter into stalking horse agreements in connection therewith, (C) approving the payment of Termination Fees in connection therewith, (D) approving the Notice Procedures and (E) scheduling Auction and Hearing dates; (II) approving the Sales of the Intellectual Property Assets free and clear of all Interests; and (III) granting related relief; and the Court having reviewed the Motion; and the Court having determined that the relief requested in the Motion is in the best interests of the Sellers, their estates, their creditors, and other parties in interest; and it appearing that proper and adequate notice of the Motion has been given and that no other or further notice is necessary; and upon the record herein; and after due deliberation thereon; and good and sufficient cause appearing therefor, it is hereby

FOUND AND DETERMINED THAT:²

A. The court has jurisdiction over the Motion pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A).

B. Venue of these cases and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

C. Good and sufficient notice of the relief sought in the Motion has been given and no further notice is required. A reasonable opportunity to object has been afforded to those parties that requested notice pursuant to Bankruptcy Rule 2002 and the Core Group (as defined in the Case Management Order).

D. The Sellers' proposed notice of the Bidding Procedures, the Auctions (if any) and the Hearing, as set forth in the Motion, is appropriate and reasonably calculated to provide all interested parties with timely and proper notice, and no other or further notice is required.

² Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. See Fed. R. Bankr. P. 7052.

E. The Bidding Procedures substantially in the form attached hereto as Exhibit B are fair, reasonable, and appropriate and are designed to maximize the recovery with respect to the Sales of the Intellectual Property Assets.

F. The Sellers have demonstrated a compelling and sound business justification for authorizing the Sales of the Intellectual Property Assets and the payment of one or more Termination Fee under the circumstances, timing, and procedures set forth herein and in the Motion.

G. Each Termination Fee is fair and reasonable and provides a benefit to the Sellers' estates and creditors.

H. The Sellers' payment of the Termination Fees, under the conditions set forth in the Motion is (a) an actual and necessary cost of preserving the Debtors' estates, within the meaning of section 503(b) of the Bankruptcy Code, (b) of substantial benefit to the Debtors' estates and creditors and all parties in interest herein, (c) reasonable and appropriate and (d) necessary to ensure that any Stalking Horse Bidder

will continue to pursue the proposed agreements to undertake the Sale of certain of the Intellectual Property Assets.

I. The entry of this Order is in the best interests of the Sellers and their estates, creditors, and interest holders and all other parties-in-interest herein; and it is therefore

ORDERED, ADJUDGED AND DECREED THAT:

1. The Motion is GRANTED to the extent set forth herein.

2. The Bidding Procedures attached hereto as Exhibit B are hereby APPROVED.

3. The Bid Deadline shall be August 11, 2009 at 5:00 p.m. (ET).

4. The Auctions shall be held on August 18, 2009 at 10:00 a.m. (ET) or at such later date and time as the Debtors, in their sole discretion (after consultation with counsel to the Creditors' Committee), may advise Qualified Bidders.

5. The Bidding Procedures shall apply to the Qualified Bidders and the conduct of the Sales of the Intellectual Property Assets and the Auctions.

6. The Sellers (after consultation with counsel to the Creditors' Committee) are authorized to terminate the bidding process or the Auction at any time if they determine, in their business judgment, that the bidding process will not maximize the value of the Sellers' Intellectual Property Assets to be realized by the Sellers' estates.

7. With respect to any Stalking Horse Agreement that the Sellers enter into on or prior to August 11, 2009, the Sellers (after consultation with counsel to the Creditors' Committee) are authorized to offer a Termination Fee of 3% of the cash purchase price payable on such terms and conditions as set forth in such Stalking Horse Agreement to a Stalking Horse Bidder in the Auction with respect to the certain Intellectual Property Assets subject to the Stalking Horse Agreement (the "Stalking Horse Assets"); provided, further, that any Termination Fee will only be paid if (1) the Stalking Horse Bidder is not the Successful Bidder at the Auction with respect to the Stalking Horse Assets, (2) the Stalking Horse Bidder agrees to serve as a back-up bidder and close the transaction contemplated by the

Stalking Horse Agreement (as may be modified, including, without limitation, modifications as to price, as of the Stalking Horse Bidder's last proposal at any Auction) in the event the transaction with the Successful Bidder does not close, and (3) the transaction proposed by the Successful Bidder actually closes.

8. The Debtors shall file any Stalking Horse Agreement with the Court prior to the Bid Deadline and provide notice of such Stalking Horse Agreement to the Bankruptcy Rule 2002 and the Core Group and those parties who expressed an interest in the Intellectual Property Assets during the three (3) months prior to the filing of the Motion and after the Motion was filed.

9. In no event shall any Termination Fee be payable if the Stalking Horse Agreement contains a "due diligence" or financing contingency, and the Debtors shall not be permitted to offer two Termination Fees with respect to any proposal covering the same assets.

10. Any party that seeks to object to the relief requested in the Motion pertaining to approval of any Sale shall file a formal objection that complies with this Order on or before August 11, 2009 at 5:00 p.m.

(ET). Each objection shall state the legal and factual basis of such objection and may be orally supplemented at the Hearing.

11. Any and all written objections as contemplated by this Order must (a) be in writing, (b) conform to the Federal Rules of Bankruptcy Procedure, the Local Bankruptcy Rules for the Eastern District of Virginia, and the Case Management Order, (c) be filed with Bankruptcy Court and (d) served in accordance with the Case Management Order so as to be **received** on or before the appropriate deadline as set forth above or in this Order.

12. The Hearing, at which the Sellers shall seek approval of Successful Bids shall be held in this Court on August 27, 2009, at 11:00 a.m. (Eastern). The Hearing may be adjourned or rescheduled without further notice by an announcement of the adjourned date at the Hearing.

13. Notice of the transactions contemplated by the Motion shall be deemed adequate if (i) within five (5) business days of entry of this Bidding Procedures Order (or as soon as reasonably practicable

thereafter), the Sellers (or their agent) serve the Sale Notice, in substantially the form attached hereto as Exhibit C, by electronic mail, if possible, or first-class mail, postage prepaid, upon (A) all entities reasonably known to have expressed an interest in a transaction with respect to the Intellectual Property Assets or similar assets during the past three (3) months, (B) all entities reasonably known to have asserted any Lien upon the Intellectual Property Assets, (C) all federal, state, and local regulatory or taxing authorities or recording offices, which have a reasonably known interest in the relief requested by the Motion, (D) the Attorney Generals for all fifty (50) States, (E) the CPO; and (F) all parties entitled to notice under the Order Pursuant to Bankruptcy Code Sections 102 and 105, Bankruptcy Rules 2002 and 9007, and Local Bankruptcy Rules 2002-1 and 9013-1 Establishing Certain Notice, Case Management, and Administrative Procedures (D.I. 130; the "Case Management Order") and (ii) the Sellers publish a form substantially similar to Sale Notice in the Wall Street Journal (International Edition), USA Today (National

Edition) and the Richmond Times Dispatch within five (5) business days of entry of this Bidding Procedures Order or as soon as practicable thereafter.

14. To the extent the Bidding Procedures are inconsistent with this Order, this Order shall control.

15. The requirement under Local Bankruptcy Rule 9013-1(G) to file a memorandum of law in connection with the Motion is hereby waived.

16. This Court shall retain jurisdiction with respect to all matters arising or related to the implementation of this Order.

EXHIBIT B

(Bidding Procedures)

EXHIBIT B

BIDDING PROCEDURES

Set forth below are the bidding procedures (the "Bidding Procedures")¹ to be employed with respect to the selection of the highest or otherwise best bid(s) for all or any part of the Sellers' Intellectual Property Assets.

QUALIFIED BIDS

The Sellers will consider bids for any or all of the Intellectual Property Assets, including, for example, customer lists and various trademarks, servicemarks and the associated domain names and URLs.

The Sellers are permitted to enter into "stalking horse" agreement(s) (each a "Stalking Horse Agreement") with a bidder (the "Stalking Horse Bidder") for the purpose of establishing a minimum acceptable bid at which to begin the Auction and (ii) provide a Stalking Horse Bidder with a fee (the "Termination Fee") up to, but not greater than 3.0%, of the cash purchase price set forth in the Stalking Horse Agreement. However, in no event shall any Termination Fee be payable if the Stalking Horse Agreement contains a "due diligence" or financing contingency, and the Debtors shall not be permitted to offer two Termination Fees with respect to any proposal covering the same assets.

Under the Bidding Procedures only "Qualified Bidders," i.e. persons or entities submitting "Qualified Bids", may participate in the Auction. To be considered a "Qualified Bid," the person or entity submitting the bid must submit an offer in the form of a purchase agreement (redlined against the Stalking Horse Agreement, if applicable) by the Bid Deadline (as defined hereinafter) that specifically identifies (a) the asset(s) to be purchased, (b) the purchase price, (c) identify the potential bidder and the officer(s) or authorized agent(s) who will appear on behalf of such bidder, (d) provide evidence, satisfactory to the Debtors in their reasonable discretion (after consultation with representatives of the Creditors' Committee), of the bidder's financial wherewithal, (e) provide that the bid shall not be conditioned on the outcome of unperformed due diligence

¹ Unless otherwise defined herein, each capitalized term shall have the meaning assigned to it in the Motion or the Order.

by the bidder or any financing contingency, (f) provide a good faith deposit equal to 10% of the cash component of the purchase price; (g) provide that the bidder's offer is irrevocable until the later of 2 business days after the assets subject to the Sale have been disposed of pursuant to the Bidding Procedures, and 30 days after the Hearing; (h) an acknowledgement that, in the event the bidder is the Alternate Bidder (as defined below), the bidder will proceed with the purchase of the Intellectual Property Assets pursuant to the terms the Bid submitted at the Auction (the "Alternate Bid"); and (i) a redline of the form of order that the bidder would request the Sellers to seek Court approval at the Hearing. **Whether or not expressly set forth in the Bid and notwithstanding anything to the contrary in such Bid, any bid submitted pursuant to the Bidding Procedures Order and these Bidding Procedures shall be deemed to be irrevocable until the later of 2 business days after the assets subject to the Sale have been disposed of pursuant to the Bidding Procedures, and 30 days after the Hearing; and such bidder shall be deemed to have acknowledged that, in the event the bidder is the Alternate Bidder (as defined below), the bidder will proceed with the purchase of the Intellectual Property Assets pursuant to the terms the Bid submitted prior to and modified at the Auction (the "Alternate Bid").**

BID DEADLINE

Any person or entity wanting to participate in the Auctions must submit a Qualified Bid on or before **August 11, 2009 at 5:00 p.m. (Eastern)** (the "Bid Deadline") in writing, to: (1) Circuit City Stores, Inc., P.O. Box 5695, Glen Allen, Virginia 23058-5695, Attn: Jim Marcum (jim_marcum@ccswinddown.com); (2) Counsel to the Debtors, Gregg M. Galardi and Ian S. Fredericks, Skadden, Arps, Slate, Meagher & Flom LLP, One Rodney Square, P.O. Box 636, Wilmington, DE 19801 (gregg.galardi@skadden.com and ian.fredericks@skadden.com); (3) Counsel to the Creditors' Committee, Jeff Pomerantz, Pachulski Stang Ziehl & Jones LLP, 10100 Santa Monica Blvd., 11th Floor, Los Angeles, California 90067-4100, (jpomerantz@pszjlaw.com); and (4) Streambank, LLC, Gabe Fried and Jack Hazan, 400 Hillside Ave., Suite 19, Needham Heights, MA 02494 (gfried@streambankllc.com and jhazan@streambankllc.com). The Debtors shall announce the terms of the highest or otherwise best Qualified Bid, after consultation with representatives of the Creditors' Committee, on or before the commencement of the Auctions.

THE AUCTION

The Auctions will be conducted at the offices of Skadden, Arps, Slate, Meagher & Flom, LLP, Four Times Square, New York, New York, 10036 at 10:00 a.m. (Eastern) on August 18, 2009 or such later dates and times as the Debtors, in their sole discretion after consultation with the Creditors' Committee, may advise Qualified Bidders. Any Qualified Bidder wishing to participate in the Auction must appear and submit its highest or otherwise best bid at the Auctions. Bidding at the Auctions will continue until each Qualified Bidder has submitted its highest or otherwise best bid for the any or all of the Intellectual Property Assets. At the conclusion of the bidding, the Sellers (after consultation the Creditors' Committee) shall announce the bid(s) the Sellers have determined to be the highest or otherwise best bid(s) (the "Successful Bidder(s)").

AUCTION PROCEDURES

Prior to the commencement of the Auctions, the Sellers will advise all Qualified Bidders of what they believe to be the highest or otherwise best Qualified Bid received. Only a Qualified Bidder who has submitted a Qualified Bid shall be eligible to participate at the Auctions. During the Auctions, bidding shall begin initially with the highest or otherwise best proposal and subsequently continue in such minimum increments as the Sellers (after consultation with representatives of the Creditors' Committee) shall determine at the Auction (such bids submitted at the Auctions, the "Auction Bids").

Upon conclusion of the Auctions, the Sellers, in consultation with representatives of the Creditors' Committee, shall (i) review each Auction Bid on the basis of financial and contractual terms and the factors relevant to the Intellectual Property Assets and (ii) identify the highest or otherwise best offer for an asset (the "Successful Bid"). For the Auction, the Sellers may designate multiple Successful Bids for various assets. If more than one Qualified Bidder submits a Bid on the same Intellectual Property Assets as the Successful Bidder, the Sellers, after consultation with the Creditors' Committee, will announce the bidder submitting the next highest or otherwise best proposal (the "Alternate Bidder") who, pursuant to the Bidding Procedures, would proceed with the purchase of the Intellectual Property pursuant to the terms the Alternate Bid submitted at the Auction, if the Successful Bidder fails to consummate the Sale because of: (i) the failure of a condition precedent beyond the control of either the Seller or the

Successful Bidder or (ii) a breach or failure to perform on the part of such Successful Bidder.

At or prior to the start of the Auctions, the Debtors, after consultation with the Creditors' Committee will announce other procedural rules at the Auctions, including (without limitation) initial minimum overbids and bid increments.

RETURN OF GOOD FAITH DEPOSIT

As noted above, any Stalking Horse Bidder and all Bidders will be required to submit good faith deposits (the "Good Faith Deposits") with the Sellers on or before the Bid Deadline. Such Good Faith Deposits shall be equal to 10% of the cash component of the purchase price. Good Faith Deposits of any Stalking Horse Bidder and all Qualified Bidders shall be held in an segregated account until a proposal is no longer irrevocable as provided herein, at which time they will be returned to the Qualified Bidder; provided, however, that if any Stalking Horse Bidder or a Successful Bidder fails to consummate an approved sale because of a breach or failure to perform on the part of such Stalking Horse Bidder or Successful Bidder, the Sellers will not have any obligation to return the Good Faith Deposit deposited by such Stalking Horse Bidder or Successful Bidder, and such Good Faith Deposit shall irrevocably become property of the Sellers.

RESERVATION OF RIGHTS

The Sellers reserve the right to (i) determine at their reasonable discretion (after consultation with representatives of the Creditors' Committee) which offer is the highest or otherwise best offer, (ii) reject at any time prior to entry of a Court order approving an offer, without liability, any offer that the Sellers in their reasonable discretion (after consultation with representatives of the Creditors' Committee) deem to be (x) inadequate or insufficient, (y) not in conformity with the requirements of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, or procedures set forth therein or herein, or (z) contrary to the best interests of the Sellers and their estates, (iii) waive the requirements of any of the Bidding Procedures with respect to a potential or Qualified Bidder if the Sellers (after consultation with representatives of the Creditors' Committee) determine is in their business judgment and in the best interests of their creditors and estates; (iv) extend the Bid Deadline; (vi) change the date of any Auction (after consultation with representatives of the

Creditors' Committee); (vii) reopen the Auction at anytime prior to entry of an order approving the Successful Bid; and (viii) alter bid increments or other procedural rules during the Auction as would be in the best interests of their estates.

The selection of a any Successful Bidder shall be within the reasonable business judgment of the Sellers (after consultation with representatives of the Creditors' Committee) and subject to the approval of the Bankruptcy Court, and economic considerations shall not be the sole criteria upon which the Sellers may base their decision. In assessing whether a proposal constitutes a higher or otherwise better offer, the Sellers shall consider, among other things, the net economic effect upon the Sellers' estates. The presentation of a particular proposal to the Bankruptcy Court for approval does not constitute the Sellers' acceptance of the proposal. The Sellers will be deemed to have accepted a proposal only when the proposal has been approved by the Bankruptcy Court at the Hearing. At or before the Hearing, the Debtors, after consultation with representatives of the Creditors' Committee, may impose such other terms and conditions on Qualified Bidders as the Sellers may determine to be in the best interests of the Sellers, their estates, their creditors, and other parties in interest.
